**Bollinger's Lot Grant Update**

Prein & Newhof will be submitting an updated drawing and price point for the Bollinger's Lot. Manager Rothe asked Prein & Newhof to scale down the previously proposed structures to ensure the DDA would have funds available to meet their portion of the grant. Manager Rothe asked that contingencies be dropped to 10% instead of the 15% previously added. There are funding opportunities available if extra funds are needed for this project. The new MEDC grant guidelines should be available at the end of July.

Discussion took place on vacant land in the DDA district. Manager Rothe noted that Village council directed him to explore the marketing of Village owned property at the July meeting.

Griffith moved and Mesman seconded to adjourn meeting at 7:25 P.M

Respectfully submitted,

Melissa King
