Bollinger's Lot Design Review and Grant Application Update

The design and maintenance plan are the final documents needed for the Bollinger's Lot grant application. Discussion took place on a design with a splash pad and one without a splash pad. Manager Rothe mentioned that items could be taken away from a plan but not added after the application is submitted. He will contact the MEDC to see if certain items e.g., playground equipment, basketball court, would be eligible for the grant. The Council and DDA would also like to see the dock added back in the plan. Manager Rothe will have an updated design for a meeting scheduled for October 3, at 7:00 PM at Village Hall. The goal is to have the plan submitted by Halloween.

Billboard

The billboard on M46 has weathered. Manager Rothe will look at updating the billboard.

Leppink moved and Case seconded to adjourn meeting at 7:55 PM.
Respectfully submitted,

Melissa King
Village Clerk
