

RULES AND REGULATIONS  
LAKEVIEW CEMETERY

All persons are reminded that the grounds are sacred. The cemetery is devoted to the burial of the dead and that provisions and penalties of the law, as provided by Michigan State law and the Village of Lakeview will be strictly enforced. The object of these rules is to have grounds that will be easily cared for and will not pose a problem or danger to those visiting, working, and maintaining the cemetery.

1. The Village shall have the authority to enter upon any lot or site to remove anything objectionable or that was placed contrary to the rules and regulations of the cemetery.
2. The Village is not responsible for theft or damage to anything on sites or grounds.
3. No trees of any kind to include evergreens will be planted or permitted in the plotted sections. No shrubbery or ornamentals of any kind will be planted or permitted in the plotted sections. Any large ornamental donated trees may be placed at the direction of the Director of Public Works at a location around the fringe of the cemetery.
4. The village shall trim or remove any dead, damaged, unsightly, overgrown, hazardous, or unauthorized trees, shrubs, vine, flowers or plants.
5. No rose bushes shall be placed or planted on grave site.
6. Flowers will be regulated and placed in urns or planters only.  
A) Flower container can project no further than eighteen (18) inches from each end of the headstone and must be contained within the grave site.
7. Planters will be allowed as long as they are not glass, ceramic, or clay. They must be of a weight that can easily be moved by the grounds keeper but not light enough to blow away.
8. No planter, box, basket or vase can weigh over twenty pounds when full. Those found in violation will be removed without prior notice.
