RE: Fiscal Year 2018-2019 Annual Report

During the 2018-2019 Fiscal Year, the Lakeview Downtown Development Authority accomplished the following:

- Made a timely payment of the 2015 installment purchase for downtown parking lot and pocket park project. This debt is scheduled to be paid off in 2025.
- DDA helped the Village share in the cost of providing preventative maintenance on Lincoln Avenue, the Village's main thoroughfare.
- The DDA contracted with ROWE Professional Services to create a DDA boundary map to be used as a reference for both staff, the community, and all other interested parties.
- The DDA acquired property as described in the 2001 Development Plan. This property will be used to enhance an existing Village park which lies within the DDA'S boundaries.
- Two \$5,000 façade grants were awarded to local businesses who successfully applied to the DDA-sponsored façade grant program.
- A dance slab was constructed at Lakeside park.
- Annual holidays lights were rented for use during the winter season.
