

Village Newsletter

www.villageoflakeview.com

Dear Village Residents,

The Village of Lakeview has had a very exciting and busy 2016 and we hope to continue our great progress into 2017. The growth and economic development our community witnessed during 2016 will be the building blocks of future development and investment in the Village of Lakeview. The continued growth and development we are seeing will ensure the health and vitality of our community today and into the future. 2016 was a tremendous year for the Village of Lakeview and this is something we are committed to continuing into 2017.

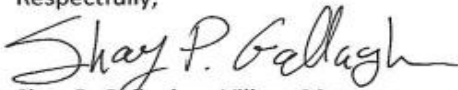

Continuing the progress of 2016, this year, 2017, will be full of great projects within the Village. The iconic blue water tower will be fully inspected, both the interior and exterior, and will be repainted this year to give it a fresh new look. This project, while not super exciting, plays an extremely important role in assessing and maintaining our infrastructure. Proper inspection and maintenance of Village owned infrastructure is a key factor in providing our residents the highest level of service.

The Village of Lakeview will construct Pickle Dock Dr. or what was once known as 10th Street. The construction of this road will put into place permanent access to Byrne Electrical and any future growth associated with this property. The establishment of Byrne Electrical in the Village of Lakeview has been a driving factor in the economic development for our community.

Lakeview's Downtown Development Authority has completed our exciting Shoreline Development Plan. This plan seeks to highlight Tamarack Lake as the Village of Lakeview's most important resources. While economic development projects are important factors to our community, place-making and community building are also forefront projects for the Village. Our goal is to ensure Lakeview is a quality community that is attractive and welcome for growth.

To close, I would like to take a moment to thank the citizens of Lakeview for how they have welcomed me into their community. While I have only been here for short period of time, the excitement and the commitment I have encountered is not only encouraging but also inspiring. I look forward to meeting and working with the amazing people of Lakeview. If, at any time, should you have any questions, comments or concerns please feel free to contact me or stop by my office any time!

Respectfully,

Shay P. Gallagher, Village Manager

CEMETERY

With spring on its way and Memorial Day fast approaching, many will be visiting the cemetery to freshen grave sites.

Winter blankets, wreaths, artificial flowers, and all other decorative items must be removed by April 15th. You may place authorized items after May 15th. If you have questions about what is considered authorized, stop by the Village Office and Pam or Missy will furnish you with a copy of the Rules and Regulations.

No digging in the ground to plant flowers. Flowers will be placed in urns only. No ground borders or fences allowed.

No trees, ornamentals or shrubbery of any kind are permitted in the plotted sections. Unauthorized plantings will be removed.

Fieldstone markers are not allowed.

The Cemetery staff will continue to remove unauthorized decorations, trees, and shrubs, fieldstones and other unauthorized items that have been placed on or around grave sites.

If you have any questions please contact the Village Office. To protect the roads and grounds the DPW occasionally will keep the gate locked. You may still walk in.

HYDRANT FLUSHING

Note the two times that flushing will be conducted. Residents should check their water for redness prior to washing their clothes. The redness is not harmful. It may, however, stain your clothes. If redness occurs please flush your lines for a few minutes and it should clear up. Dates are April 13 and October 5 beginning at 10:00 PM.

SNOW REMOVAL

When you remove snow from your property or driveway, make sure you do not put the snow on the sidewalk or in a street right-of-way.

RATE ADJUSTMENT

Beginning March 1, 2017, you will notice on your water/sewer bill that there is a slight increase. The adjustment, as with the past year, is adjusted to the Consumer Price Index Increase or 2.0%, whichever is the greater of the two.

VILLAGE CLEAN-UP PLANNED FOR SPRING

The Village will be holding a spring clean-up day. The scheduled day will be April 22nd. The drop off times are between the hours of 9:00 AM and 12:00 Noon. If the dumpsters fill before 12:00 Noon the site will be closed. The location will be at the Village red pole barn on North Street. You will be required to show proof of residency. A current water bill or tax receipt will work. Appliances containing Freon will not be accepted. No hazardous wastes will be accepted.

AFTER HOURS EMERGENCIES

It is rare, but occasionally sewer and water problems do happen. If you notice water coming out of the ground that shouldn't be or you have a slow or noisy sewer, don't hesitate to call the DPW. We have an "on call" worker 24 hours a day, seven days a week.

Our DPW will be able to take care of the problem if it is the Village's or can give you direction on how to take care of the problem if it is your responsibility. Problems caught early on are much easier to deal with than when they become an emergency.

Emergency: 989-854-2492

BRUSH & LEAVES

Pay particular attention to the days scheduled for brush and leaf pickup. A reminder that this program is not intended as cleanup from a contractor but from brush that is a result of tree trimming or from a storm or act of nature. All limbs/branches must be no larger than 6 inches in diameter, no longer than 6 feet, and all must be stacked neatly with tree butts facing the road. Failure to comply with these guidelines will result in the property owner being responsible for removing the brush.

Spring leaf pick-up will be bags only. Bags for bag leaf pick-up must be clear and are available for a fee at Cantwell's, Leppink's, DeWitt Lumber. **The DPW will only pick up clear bags.**

RESPONSIBILITY FOR WATER AND SEWER LINES

Home owners are responsible for the installation and maintenance cost of the water and sewer line on your property. Plugged sewer lines and leaking water lines are your responsibility.

The Village is responsible to provide the citizens with 35,476,000 gallons of potable water (2015 usage), maintain 65,000 feet of water main, 23,000 feet of service lines, 210 main line valves, over 1,000 service line related valves, 85 hydrants, 478 water meters, the water wells and a water tower.

The Village is also responsible to treat 41,274,333 gallons of raw sewage (2015 usage), and return it to the environment, maintain 44,600 feet of sewer main, 166 man holes, 8 sewer pumps, four pumping stations, 44 sewer control valves, 470 service laterals, five lagoons covering 15 acres and a three acre filtration bed.

Additional responsibilities for the Village include maintaining the water and sewer systems, and maintaining 12 miles of streets, 35,000 feet of sidewalk, over a hundred trees, and remove the brush and leaves from hundreds of trees, two parks, cemetery, airport, 11 buildings, equipment and vehicle maintenance. The list could go on and on but we think that you can begin to understand the immense responsibility the DPW employees have.

CAMP FIRES

There are restrictions! You cannot build a fire that exceeds four feet in diameter. The fire must be a minimum of 40 feet from a street and 20 feet from a building or property line. A person of suitable age or discretion must be present at all times. You must remain in complete control of the fire at all times. Materials burned in any grill or camp fire are limited to wood or charcoal. **You are not allowed to burn garbage, trash, refuse, construction material, brush, grass, or leaves.**

POLICE DEPARTMENT

2015-16 ACTIVITY REPORT

The Village Police Department is not on duty 24 hours per day, seven day a week. There will be times when you call and an officer will not be on duty. If it is an emergency or you need an officer please call 911. If our Village Officer is on duty the Dispatch Center will send them. You may end up with a County Sheriff or State Police officer. Don't hesitate to call!

Activity Report	2015	2016
Traffic Stops	920	1061
Verbal Warnings	971	1078
Civil Infractions	389	484
Arrests	94	90

Foot Patrol Hours	497.5	522.5
Report Writing Hours	333	104.5
Court Hours	29	41

BLIGHTED STRUCTURES AND PROPERTY

Ordinance 92-3: To eliminate blight or blighting factors of a structure or property.

Throughout the year the zoning department and the police department spend numerous hours pursuing enforcement for blighted conditions.

Junk, trash, garbage and building debris are the primary problems. Please take advantage of the Village spring clean-up day and many of these issues will be taken care of.

LAKEVIEW SUMMERFEST

Lakeview Summerfest will be held June 17-18, 2017. Stay tuned for further information!

EYES AND EARS

The majority of citizens in town have lived here for many years. You know the sights and sounds that are a normal part of your neighborhoods. If you see vehicles or individuals that seem out of place for that time of day or night, do not confront them. Try to get as much information as you can. Color, make, model of vehicle, license number and any identifying damage. Location and time of observation. Male or female, approximate height and weight, hair color and length, type and color of clothing. Write the information down and pass along to the Village Police at 352-6211, or for emergencies 911. Eyes and ears are our best defense.

VILLAGE ORDINANCES

Complete ordinances are available at the Village Office.

Ord. #35: No parking on any Village street between 2:00 AM and 6:00 AM. No parking in any Village parking lot for more than 72 hours.

Ord. #9: An ordinance to prohibit the running of dogs in streets and other public places. Leash is required.

Ord. #94-10: Keeping of Pets. No more than three adult dogs and/or cats in combination shall be kept or housed in one residential unit or property.

Ord. 41: Disorderly Conduct. It is unlawful to lie or sit on sidewalk, sit on steps open to the public, recline in office windows, window sills, or ledges outside of buildings, sit on any exterior surface of a parked automobile.

Ord. 01-03: Prohibition of Unreasonable Noise. It shall be unlawful for any person to create, assist in creating, permit, or continue to permit an unreasonable loud, disturbing noise. Engine exhaust is also included.

Ord. 01-01: An ordinance to establish a curfew for minors. No minor under the following ages shall loiter, idle or congregate in or on any public street, alley, or park between the hours of 10:00 PM to 6:00 AM under 12 years old and 11:00 PM to 6:00 AM for minors under 18 years old.

Ord. 92-1: Dismantled or Inoperable Vehicles. An ordinance to regulate inoperable or dismantled vehicles. Storage of inoperable or dismantled vehicles is not allowed. Vehicles must be operational and must have a valid Michigan registration.

Recycling in Lakeview

Recycling is available in downtown Lakeview in the parking lot next to the post office. These unmanned centers are available for self-serve 24/7.

Montcalm County is providing all residents with an alternative direction for recyclable materials that might otherwise be disposed of in a landfill. The items accepted at the recycling centers will be processed and delivered to manufacturing plants to make new products, saving landfill space.

How it works:

Consider whether those items you are throwing into the trash can be recycled. Bring your cleaned materials to the center at the downtown parking lot, and simply toss your recyclables into the designated containers.

What can you recycle:

Plastic #1 clear transparent containers only (example: water bottles)

Plastic #2 milk jugs, laundry detergent jugs, softener bottles, etc.

Grocery bags, newspapers, cardboard, and box board (example: cereal, cookie, cracker boxes, etc.)

Glass, aluminum, tin

NOTE:

Plastic containers with numbers 3,4,5,6,7 or no number will not be accepted.

Styrofoam will not be accepted.

Please remove all plastic container caps.

***Note: No unrecyclable material may be disposed of in the center containers.**
